## **BUSINESS MODEL-**

MEC -Strategical approach – Needs Solving - Delivery

# ABOUT US

Headquartered in Patna, Bihar since 2013 with its presence in Noida, Bengaluru, and Ranchi. Eventoss Entertainment, over a period of time, has evolved as a MEC specialized creative agency pioneering broad spectrum solutions for building enduring brands and businesses. With a wildly creative team, we approach each project with a clear strategy based on in-depth Research & analysis. Having served more than 300 clients and over 1500 projects, we assert ourselves to be a one-stop solution for your complete event planning requisites. Additionally, we have expanded operations into Marketing & Advertising, Public Relations & Digital Marketing and Media Production & Films. Our core young team with superior organizational skills guarantees to deliver the first-rate service within the Industry.

## WHAT WE DO?

We are bound to deliver a wide range of media expertise that may include communication, information or entertainment intended for a large audience. We provide our clients with full- scale media production services, from film and television to corporate, promotional, educational or web-based material. We have the creative expertise and technical know-how to create compelling video and radio ads that resonate with audiences creating a buzz in the market. It is quite uncommon for an Event company to help you with media production, but in contrast, our organization offers full assistance in Media & Film Production.

KNOWLEDGE IS OUR MOST  
POWERFUL ENGINE OF  
PRODUCTION.

# OUR CLIENTS

# OUR CLIENTS

# WHY EVENTOSS?

Leveraging on our experience, we constantly innovate & create amazing stuff while often being experimental with sound logic.

## EXPERIENCE

With over 120 clients and a relatively young core team with a combined industry exposure of 40+ years, we have that all important edge that experience brings.

## INNOVATIVE

Out of the box thinking is not just a clichéd idiom but an established practice for us. We are ever evolving & aim to be trendsetters for the industry.

## CREATIVE

Our approach is always hyper-linked with creativity. We strive to deliver eye catching designs & amazing builds that turn out to be perfect fits for our clients.

## EXPERIMENTAL

We are never afraid to venture into uncharted territories & keep experimenting both, on live projects & as our internal R&D process.
